

Poppies restaurant.

To keep all our members up to date with the Restaurant business, the current franchise contract between Nella and the club has been dissolved. I am sure, that along with the committee, you all wish Nella well.

The committee would like to announce that when the Guidelines permit the restaurant will reopen being run "In House".

New opening hours and Menu will be following once the committee has chance to reform and the exact format etc is currently being deliberated.

Further announcements will be made when decisions have been made.
