

Dear Member,

After a slow re-opening, and much discussion, the committee have decided that the club, with immediate effect will be showing sky sports with muted sound. We will adjust the seating area with limited standing area. However, we must refrain from standing at the bar, and if numbers inside the club become excessive the bar staff and committee will ask you to move. It has been noted that on Saturday evening some members ignored the service and collection points. This cannot be tolerated.

From Monday 13th July snooker tables 2 & 3 will be open, as will the dart board. The pool table will also be available, but in the restaurant area. Please sanitise all areas as indicated by signage at these points. As we carry on through this difficult time, please respect our signage, our social distancing, and each other. Everyone at the club is working hard to ensure we survive this current situation and really need YOUR support, please come visit. You will be pleasantly surprised.

Looking to the future we are re-vamping our membership system. Anyone with a lapsed membership should visit the club to renew their membership from Monday 13th July. No matter when your membership lapsed, we will only charge you £3.00 to renew until October 2020. All memberships will be renewed at this point for the forthcoming year. Any memberships to be renewed after October 2020 will be charged on a pro rata basis of £1.00 per month.

Hope this all makes sense. If in doubt please email the membership.rblbh20@gmail.com, and please be patient waiting for the reply.

Kind regards
Steve Gray - Club Secretary
